

HAMPSHIRE COUNTY MASTERS RECORDS WOMENS

To make a claim, please send me the details as seen on the British Swimming Rankings page of the Masters section. It is very simple to use the filters to arrive at the Hampshire rankings.
I will double check your claim.

Please note that Meet results do not always appear immediately, there may be a slight delay.

The date at the top of each page is the date that the data was collected.

Individuals who are dual or multi club registered may have swum at a meet for a club not affiliated to Hampshire, BUT will still appear in the British Rankings under the Hampshire rankings if they pay their ASA membership fee to a Hampshire Club.

Under the conditions for claiming a record it states
**'In this case they must have competed for a Hampshire, (Isle of Wight and Channel Islands) Club'.
I.E On the results for the Open Meet you must have entered for your Hampshire Club**

All swim times are collected off the Rankings and NOT Open Meet results (I have no idea who has competed at which Meets) If you feel you have a claim which supersedes one published because an individual entered a Meet for a Club outside of Hampshire please let me know
(equally if this is you then the same applies)
